

9th Grade

YOUR CHECKLIST:

○ What classes are you signed up for? (**VERY IMPORTANT**)

These are the classes that will prepare you for college & that many colleges look for in their future students

(try to take these even if they are not required by your school):

4 years of English

3-4 years of Science (with a lab)

4 years of Math

2-4 years of a Foreign Language

2-4 years of Social Studies

1-4 years of Arts

○ **Continue to do your homework & develop good study habits**

○ **Find an activity or organization to get involved with**

(Keep track of these & any awards/achievements you receive)

○ **Talk regularly with your teachers & guidance counselor**

(These are the people who will write future letters of recommendation for you)

○ **Learn about scholarships & grants (“free” money for school!)**

○ **Save money if possible. Even a little bit helps!**

What colleges look interesting? What are YOU going to do to get there?
